

SOMERSWORTH CAREER TECHNICAL CENTER

CTC Application Process

1) Apply at <https://tricity.enrolltrack.com/>

[Somersworth CTE Programs](#)

Automotive Technology

Broadcast Technology

Building Trades

Culinary Arts

Digital Media

Marketing

Medical Assisting

Pre-Engineering - PLTW (Architecture/Manufacturing)

Teaching Multiple Levels

Technical Theater & Design

To complete the application, students must have an active email address and be able to provide an email address for their parent/guardian. Students who have any questions about the application process should see their School Counselor.

Students should know that completing an application does not guarantee acceptance into the CTE program. See the priorities listed below. There are also limits on how many students can be enrolled in each CTE program. (Students are encouraged to list a second choice in the case their first choice is not available.)

2) Inform your guidance counselor

Your guidance counselor will have to supply academic information in order for a student to advance to the next step in the enrollment process. Students will be enrolled based on the following priorities:

1. Grade in School

Priority 1: Junior – 1st year of the program

Senior – 2nd year of the program

Priority 2: Senior – 1st year of the program

Sophomore – 1st year of the program (when available)

2. Student Records

Transcript/Grades

Attendance Record

Discipline Record

Students will be notified by email of their application status. Parents/guardians will also receive email updates. High school guidance counselors will also be notified so that they can work with the students to create a course schedule that can best accommodate the CTE program and the student's required academic coursework.

An enrolled student's account will be billed a per semester transportation fee.
