Dear Parents,

As we indicated back in February, beginning with the 2011-2012 school year, parents will be responsible to order and purchase their students' textbooks. Tri-City Christian Academy has found a company that can help you order your textbooks and insure that your students have the correct textbooks for the coming school year. You will have the opportunity to order new and used textbooks through Classbook.com. When purchasing Abeka textbooks, however, only new textbooks will be available. Therefore, we will still be holding our Used Book Sale for grades 1-12, which will take place on Saturday, June 25, 2011 at our Rocky Hill Road Campus. We will be accepting student textbooks in grades 1-12 in reasonable condition on the last day of school for our Used Book Sale. Please be advised that your books may not be in the book sale if they are received later than June 17th.

All parents will be able to order their students' textbooks through www.classbook.com. They may also choose to order books through other websites such as, www.amazon.com, or they may even wish to order directly from the publisher.

Enclosed with this letter you will find your child's book list to help you order your books in a timely manner. You will notice a miscellaneous fee at the bottom of the book list which will include fees for all test booklets, assignment booklets, worship booklets, Stanford Achievement testing, etc. All miscellaneous fees will be charged to your accounts on July 1st and must be paid by August 15th so that we can order the testing supplies needed.

Also enclosed is a letter from Classbook.com explaining the ordering process through their company.

Should you have any questions, please do not hesitate to contact the West High Street Front Office at 692-2093.

Sincerely,

Paul T. Edgar
