

Tri-City Christian Academy Grades Online Program

Dear Parent/Guardian,

We will again be offering our Grades Online Program for grades 6— 12 where you can input a username and password and view your child(ren)'s grades. If you wish to access this service, please return this form, completed and signed, to the school office. You will then be contacted with further instruction on how to use the service. You will not need to file a form each year. If you wish your child(ren)'s grades to no longer be posted online, please notify us at Tri-City Christian Academy. Please feel free to phone or e-mail me with questions. Thank you!
